**Summary of Benefits**

January 1, 2025 – December 31, 2025

The benefit information provided is a summary of what we cover and what you pay. It does not list every service that we cover or list every limitation or exclusion. Plans may offer supplemental benefits in addition to Part C benefits.

To get a complete list of services we cover, please review the “Evidence of Coverage”. You can access the 2025 Evidence of Coverage by logging onto our website at [www.mahealthplans.com](http://www.mahealthplans.com) or contact Medical Associates Health Plans (MAHP) Member Services for a print copy of the 2025 Evidence of Coverage at 1-866-821-1365, 8:00 am to 8:00 pm, CST, 7 days a week (TTY: 1-800-735-2942).

Each plan has a network of doctors, hospitals, pharmacies, and other providers. You can see our plan’s provider directory on our website at [www.mahealthplans.com](http://www.mahealthplans.com).

- If you use providers in the network, the plan will pay for Medicare eligible services.
- If you use the providers that are not in our network, the plan may not pay for Medicare eligible services and Original Medicare cost sharing would apply. Out of network/non-contracted providers are under no obligation to treat plan members. Please call Member Services or see your Evidence of Coverage for more information.

To join one of the Medicare Plans, you must be entitled to Medicare Part A, be enrolled in Medicare Part B, and live in our service area.

## Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a Member Service Representative at 563-584-4885 or 1-800-821-1365, 8:00 am to 8:00 pm, CST, 7 days a week (TTY: 1-800-735-2942).

### Understanding the Benefits

The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit [www.mahealthplans.com](http://www.mahealthplans.com) to view a copy of the EOC or call 563-584-4885 or 1-800-821-1365.

Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.

### Understanding Important Rules

In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium which is normally taken out of your Social Security check each month.

Benefits, premiums and/or copayments/co-insurance may change on January 1, 2026.

Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory) unless you are a member of the Medical Associates Freedom Plan.

Effect on Current Coverage. If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Cost Plan coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Cost Plan coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Cost Plan coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.

- 1. Initial Determination** – a decision MAHP makes about your benefits, coverage or the amount that we will pay for your medical services. Initial Determinations, or pre-service requests, are usually made before a service is received. This includes requests for referral services.

A standard pre-service request for items or services will be reviewed and responded to no later than 14 days from the date the request was received. A 14-day extension may be taken if you request the extension, if more information is needed and the delay is in your best interest, or if there are extraordinary circumstances (such as a natural disaster). A standard pre-service request for Part B drugs will be reviewed and responded to no later than 72 hours from the date the request was received.

An expedited pre-service request for items or services will be reviewed and responded to no later than 72 hours from the date the request was received. A 14-day extension may be taken if you request the extension, if more information is needed and the delay is in your best interest, or if there are extraordinary circumstances (such as a natural disaster). An expedited pre-service request for Part B drugs will be reviewed and responded to no later than 24 hours from the date the request was received.

A payment request will be reviewed and processed within 30 days for contracted network providers and within 60 days for non-contracted providers from the date the request was received.

- 2. Appeal** – a request for MAHP to review an initial decision we have made. You appeal if you disagree with our decision to deny a request for coverage of health care services, referral requests or payment for services you already received. You may also make an appeal if you disagree with our decision to stop services that you are receiving.

Standard and expedited appeals must be filed within 60 days from the date of the notice of the initial determination.

Standard pre-service and benefit appeals will be reviewed and responded to no later than 30 days from the date the appeal was received. Standard Part B drug appeals will be reviewed and responded to no later than 7 days from the date the appeal was received. Payment appeals will be reviewed and responded to no later than 60 days from the date the appeal was received. Expedited pre-service or benefit appeals will be reviewed and responded to as expeditiously as your health condition requires but no later than 72 hours. A 14-day extension may be taken if you request the extension, if more information is needed and the delay is in your best interest, or if there are extraordinary circumstances (such as a natural disaster). There is no extension for Part B drug or payment appeals.

Additionally, you have the right to request an immediate review by the Beneficiary and Family Centered Care Quality Improvement Organization (BFCC-QIO) of a decision that inpatient hospital care is no longer necessary or when a Skilled Nursing Facility (SNF), Home Health Agency (HHA) and Comprehensive Outpatient Rehabilitation Services (CORF) decides to terminate previously approved coverage.

- 3. Grievance** – a complaint you make about MAHP or one of our network providers including concerns about the quality of your care you received and does not involve coverage or payment disputes.

A grievance must be submitted within 60 days of the event or incident. Decisions will be made as quickly as the case requires based on your health status, but no later than 30 days from the date the grievance was received for a standard grievance or within 24 hours for an expedited grievance. A 14-day extension may be taken if you request the extension or if more information is needed and the delay is in your best interest.
